Management Solution*

EXECUTIVE BUSINESS BENEFIT INDEX

Executive scores the highest sales and service intelligence system products when it comes to the business benefits that the end user gets from the products - most value for your investment.

VALUE PROPOSITION

- Simple, self service EMSM system for the information to the management
- More powerful to analyze sales and service
- Easy solutions for the deployment and maintenance of IT
- Improve Team productivity Get data in your E-mail

TOP 3 CHALLENGES IN BUSINESS INTELLIGENCE TODAY

SALES AND SERVICE DATA

- Normally you don't get sales and service data in proper time
- Loose your money in somany ways
- You cannot make strategic plans
- Loose your customers

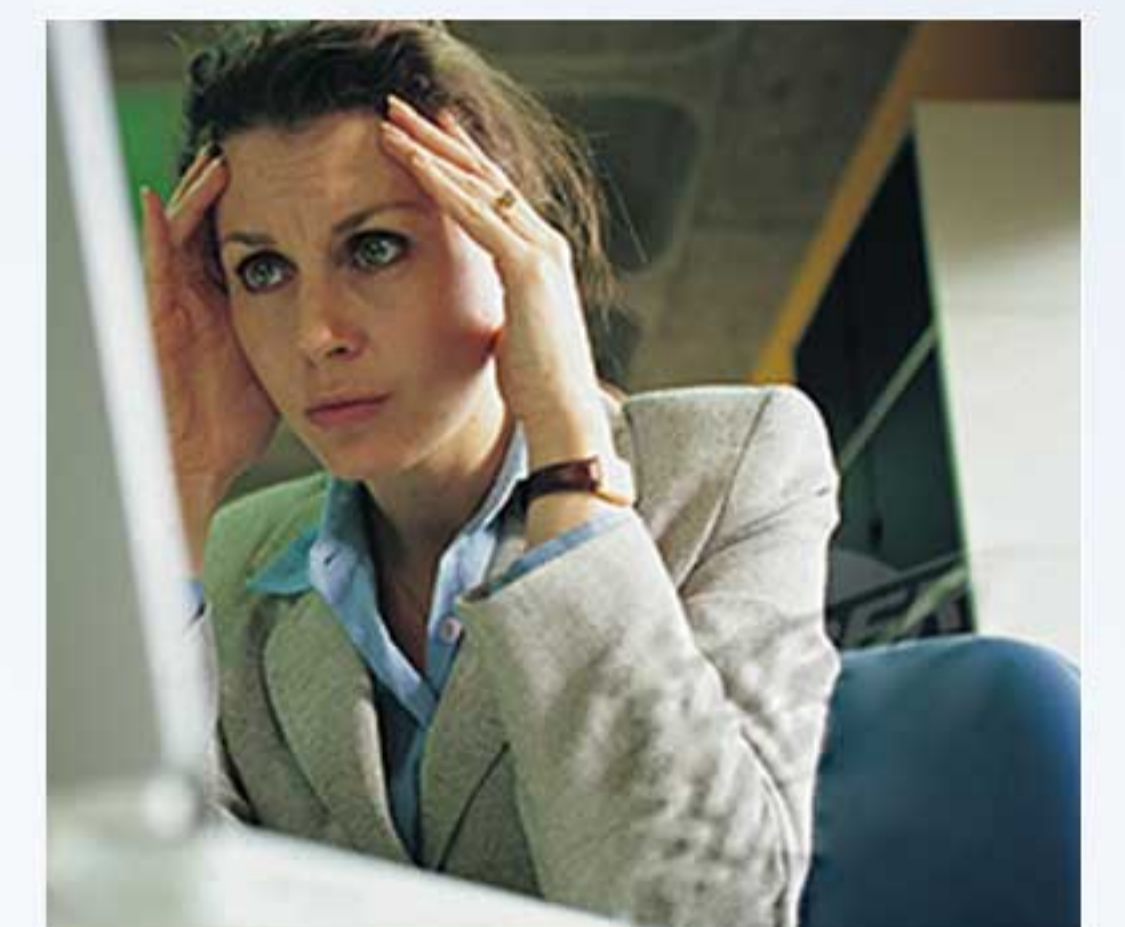

BUSINESS USERS STILL DON'T USE "EMSM" TOOLS FOR SALES AND SERVICE DATA ANALYSIS

PRESENT SCENARIO

So when they need data insights they contact back office

WHICH CAUSES A LOT OF FRUSTRATION FOR BACK OFFICE AND BUSINESS USERS

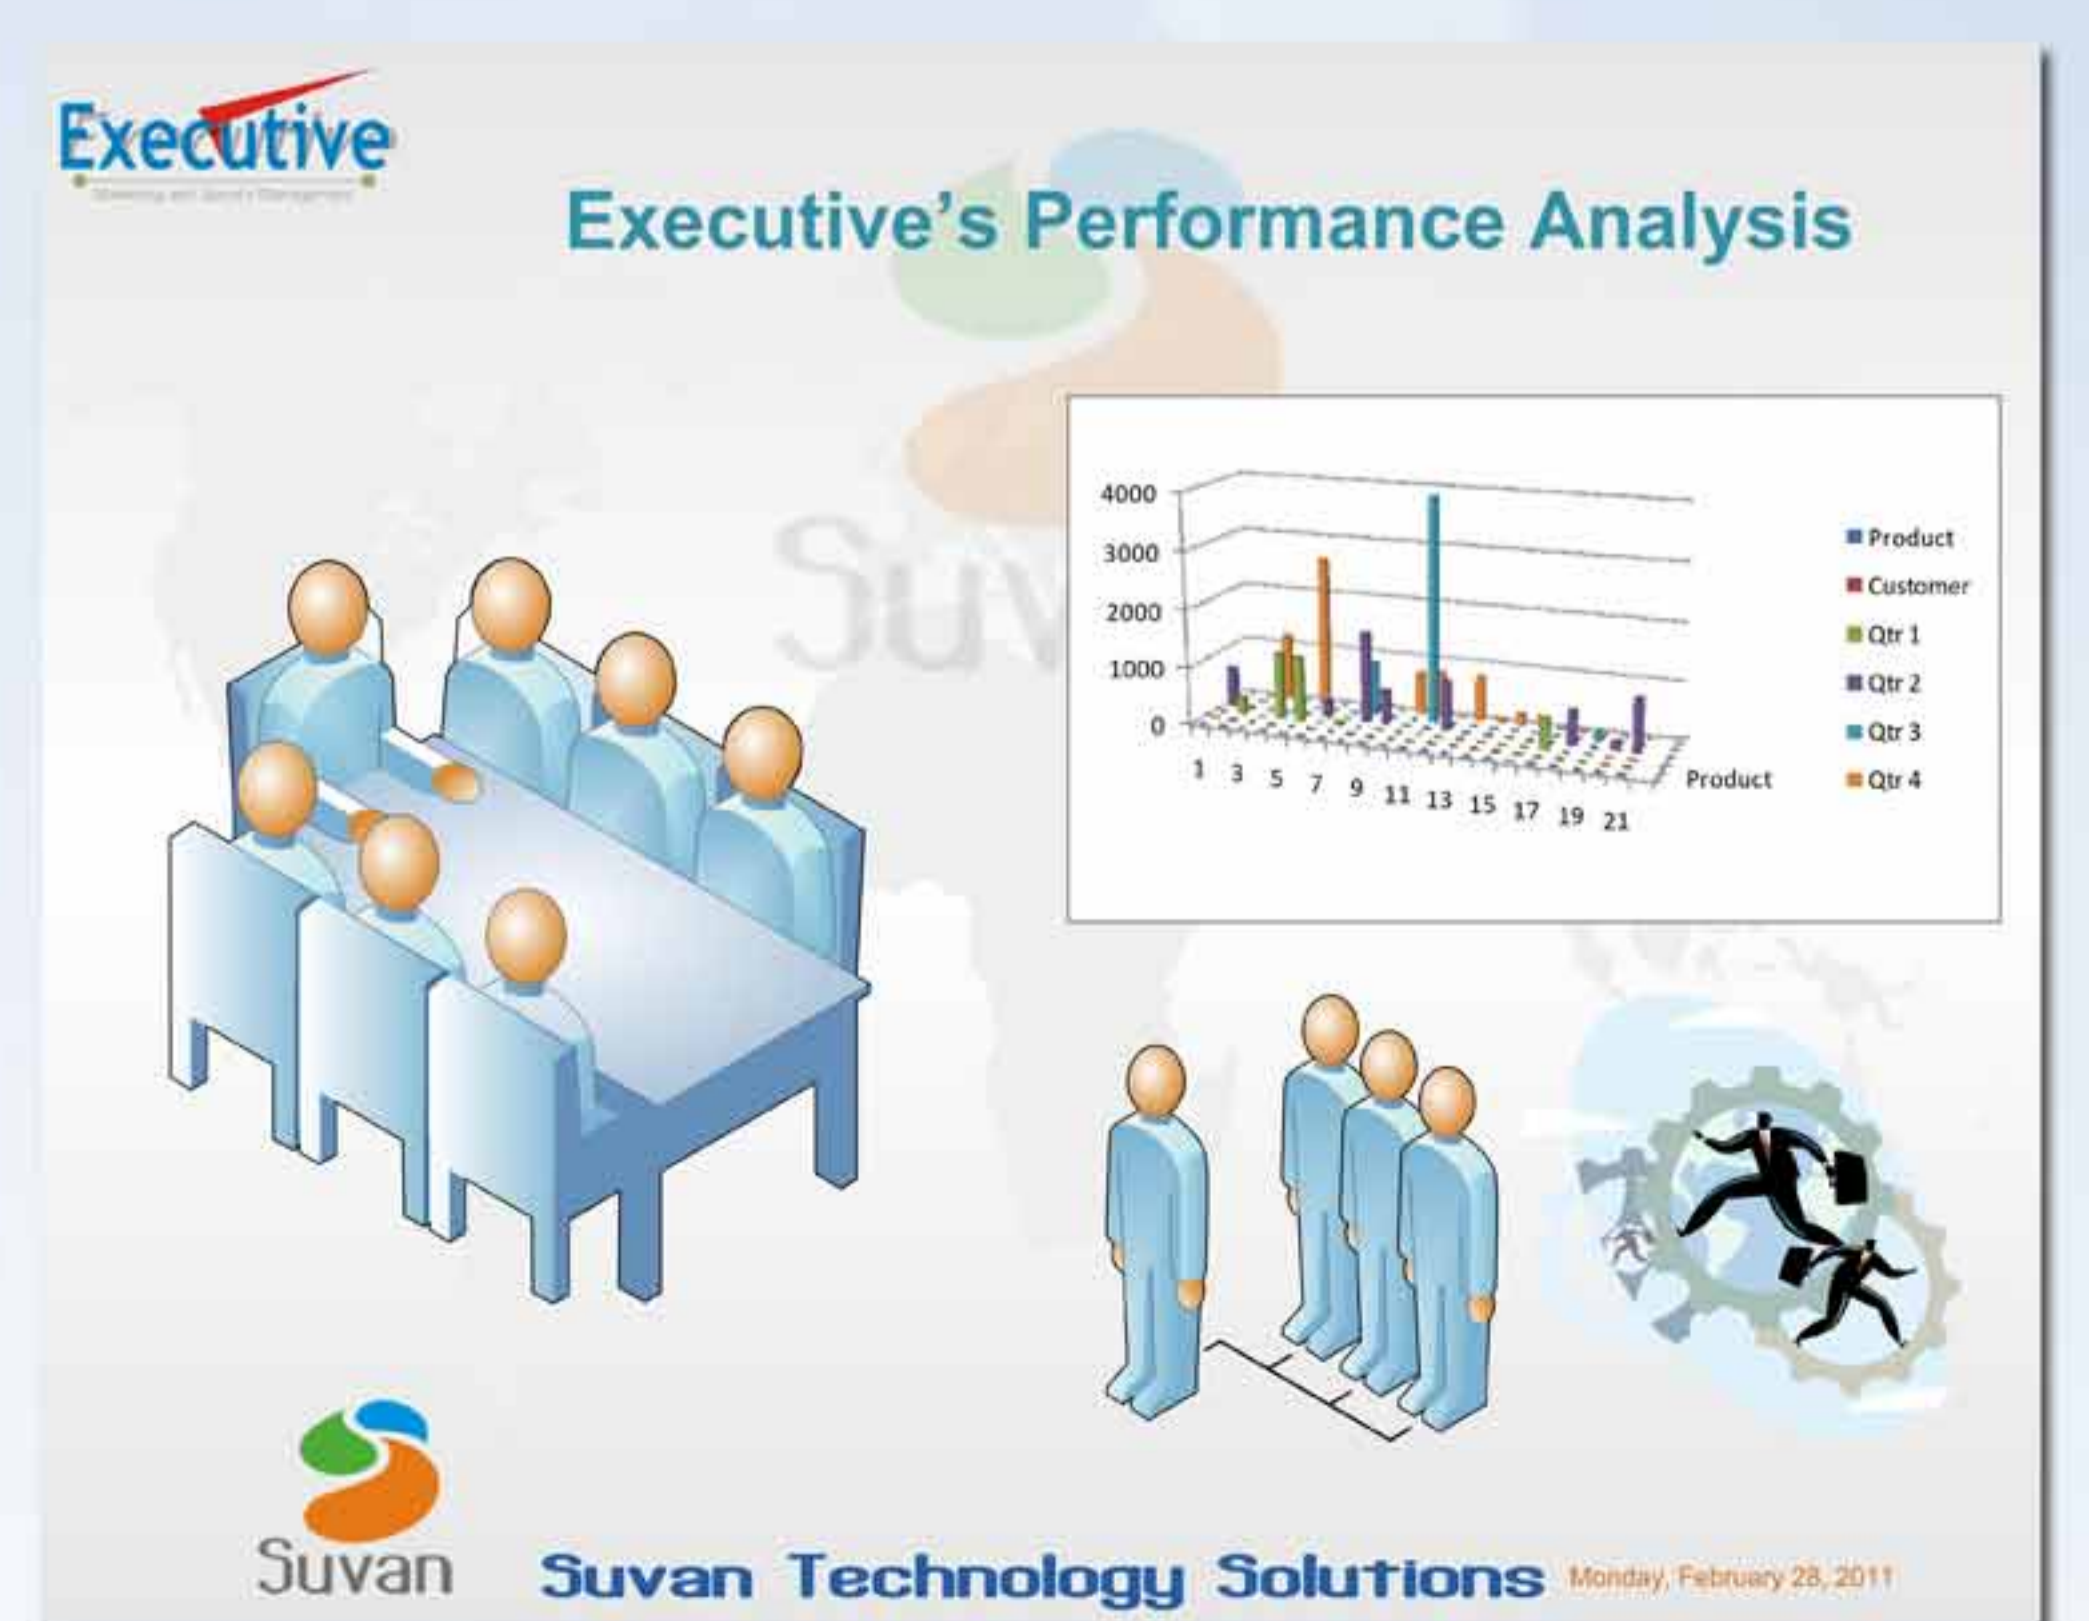

This is why we designed and developed Self-Service sales and service intelligence system tools for users
